In 1997, the Hon'ble Supreme Court in the case of Vishakha and others vs. State of Rajasthan, have recognised and addressed the issue of sexual harassment at the workplace. The judgement created mandatory sexual harassment prevention guidelines for the workplace applicable all over India. The knowledge and information about it can lead to a workplace free of sexual harassment for all persons. Sexual harassment injects the most demeaning sexual stereotypes into the general work environment and always represents an intentional assault on a person's innermost privacy. The Cell is dealing with the cases/complaints of sexual harassment and any other type of harassment of the female students, teaching and non-teaching staff inside the colleges and University. The Cell is processing all the individual complaints and taking suitable action in the manner of UGC guideline. Besides it several gender sensitization programmes such as meetings, seminars, workshops, rallies.....etc. are being organized inside the girls' colleges and hostels of the University.
